# Shuttle Service

FALL 2014

To help students get to and from class, UCF provides free shuttle service from 20 local student residential communities. The shuttles are a safe and convenient alternative to parking on campus.

In addition, shuttles allow students to travel between UCF's Main Campus, the Rosen College of Hospitality Management and the Health Sciences Campus at Lake Nona.

Campus drop-off and pickup points are strategically located to allow students a short travel distance to classrooms or campus activities.

Shuttles run continuously Monday through Friday, excluding state and federal holidays. Saturday shuttle service will start this fall. Schedules are subject to change depending on demand.

See [parking.ucf.edu/shuttle](http://parking.ucf.edu/shuttle) for the most current information.

### GENERAL RULES

- Traffic and weather conditions may delay on-time arrivals and departures
- Schedules are subject to change
- No shuttle services after 8 p.m. on Fridays (except Health Sciences Campus and Rosen College)
- Shuttles will not operate on the following observed university holidays: Martin Luther King Jr. Day, Spring Break, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day (and the day after), Christmas and New Year's Day
