**GENERAL RULES**

- Traffic and weather conditions may delay on-time arrivals and departures
- Schedules are subject to change
- All shuttles will not operate on the following observed university holidays: Spring Break, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Veteran’s Day, Thanksgiving, Christmas and New Year’s Day

To help students get to and from class, UCF provides free shuttle service from 18 local student residential communities. The shuttles are a safe and convenient alternative to parking on campus.

In addition, UCF shuttles allow students to travel between the main campus, Rosen College and the new Health Sciences campus at Lake Nona.

Campus drop-off and pick-up points are strategically located to allow students a short travel distance to classrooms or campus activities.

The shuttle runs continuously every class day Monday through Friday, excluding state and federal holidays. Schedules are subject to change depending on demand.

See parking.ucf.edu/shuttle for the most current information.
