UNIVERSITY OF CENTRAL FLORIDA • ORLANDO

To help students get to and from class, UCF provides free shuttle service for 23 local student residential communities. The shuttles are a safe and convenient alternative to parking on campus.

In addition, shuttles allow students with a valid UCF ID to travel between UCF's main campus, the Rosen College of Hospitality Management, UCF Downtown and the Health Sciences Campus at Lake Nona.

Campus drop-off and pickup points are strategically located to allow students a short distance to classrooms or campus activities.

Shuttles run continuously Monday through Friday when classes are in session, excluding state and federal holidays.
