

VISITOR PARKING

Visitors must purchase a daily or hourly parking permit, then park in areas designated for students or visitors. Payment must be made prior to parking.

VIRTUAL DAILY PERMIT

The daily parking fee is \$5. After 5:30 p.m. the fee is \$3. Daily parking permits can be purchased at **parking.ucf.edu** or in the **UCF Mobile App**, which use the vehicle's license

plate as a virtual daily permit.

Daily permits can also be obtained at the Visitor and Parking Information Center, Garage B office, or daily-permit dispensers located in many student parking facilities. Daily permits are only valid in unreserved garages and parking lots with a green "D" sign.

HOURLY OPTIONS

For short-term parking, options include 1- or 2-hour timed spaces at the Visitor Center (lot B6) and

meter spaces located throughout campus. Metered spaces use the **Passport Parking app** instead of coins. Smartphone users can download the app or go to **ppprk.com** to create an account. If you do not have a smartphone, nearby signage displays as phone number to contact.

NOSE-IN PARKING

All vehicles on campus must park nose-in and plate-out. **No back-in or pull-through parking is allowed.**

Our transportation services include a fleet of 40 shuttle buses serving 22 off-campus student residential communities, Central Florida Research Park and the UCF campus community.

Parking Services also offers other services, including vehicle jump-starts, and temporary and visitor parking permits. Students, faculty and staff may purchase parking permits online at parking.ucf.edu.
