Afterward, you may move your vehicle to the Libra Garage.

IMPORTANT!

RESIDENTIAL PARKING LOCATIONS

Monday through Friday
7 a.m. - 5:30 p.m.

Campus residents must park in their designated R, KP, or RL permit location. Parking in green D permit spaces, or any space other than the locations designated for your specific housing community, will subject you to a parking citation.

After 5:30 p.m., you may park in any green D, blue C or red B space with your orange or purple campus resident permit.

NEED TO RUN AN ERRAND?

There are designated pickup and drop-off spots located around the residential areas. These spots have a 20-minute time limit, so please remember to move your vehicle to your designated parking area in time to avoid parking citations.

GETTING YOUR PERMIT

To get your parking permit, you will need to register your vehicle and pay online at parking.ucf.edu. You can pick up your permit at the main office on the east end of Garage B or at the Visitor Parking and Information Center.

Please note campus residents can only purchase a residential permit for their designated on-campus community.
