SHUTTLE SERVICE

To help students get to and from class, UCF provides free shuttle service for 23 local student residential communities. The shuttles are a safe and convenient alternative to parking on campus.

In addition, shuttles allow students with a valid UCF ID to travel between UCF's main campus, the Rosen College of Hospitality Management, UCF Downtown and the Health Sciences Campus at Lake Nona.

Campus drop-off and pickup points are strategically located to allow students a short distance to classrooms or campus activities.

Shuttles run continuously Monday through Friday when classes are in session, excluding state and federal holidays.

For the most current information, including game day shuttle services, visit parking.ucf.edu.
